

This Feature Will Be Available In The Next Phase Of The JSE DMA Platform Development.

What Are The Major Advantages Of Using The JSE DMA Platform?

Here are three major advantages:

- An opportunity for investors to diversify their investment portfolio.
- It will provide transparency for investors who will

now be able to access their balances for foreign securities.

- Brokers will no longer need to call foreign brokers to place orders as orders will be sent directly to the overseas exchange through the foreign broker's platform via the DMA platform.

How will I see when my trades have been settled?

The JCSD will reflect the positions of each beneficial owner in their DMA accounts. Investors may view their statements online via the JCSD portal at jcsdportal.jamstockex.com

How can I start investing in overseas markets using the dma platform?

Please contact any of the participating brokers to have your DMA account opened.

FREQUENTLY ASKED QUESTIONS

What Is Direct Market Access (DMA)?

Direct Market Access (DMA) Refers To Access To The Electronic Facilities And Order Books Of Financial Market Exchanges That Facilitate Daily Securities Transactions. The DMA Facility That The JSE Provides Allows Investors, Through Their Local Brokers, Access To The Stock Exchanges In Other Jurisdictions. In The Near Future, A Foreign Investor May Also Purchase Jamaican Securities, Through Local Brokers, Using This Platform.

What markets can we currently access via the JSE DMA platform?

The Canadian Securities Markets. Discussions Are Far Advanced For Our Entry Into The U.s. Securities Markets.

Are investors allowed to trade themselves?

No, Trading By Both Local And Overseas Investors Has To Be Done Through A Broker.

Who Are The Participating brokers on the JSE DMA platform?

Currently, The Participating Brokers Are Cumax Wealth Management And Barita Investments. Other Brokers Will Be Onboarded On The Platform Soon.

How do brokers access foreign stock exchanges?

Brokers Access Foreign Stock Exchanges Through The Interface Provided By The JSE, Which Is Connected To The Foreign Broker's Trading Platform.

What is the Settlement Cycle?

The Settlement Cycle For Settling Equities Is T+2. The Canadian And U.s. Markets Will Be Transitioning To A T+1 Settlement Cycle In May 2024.

Can I Transfer The Securities I Now Hold In The Canadian Depository For Securities (CDS) To My JCSD CDS Account?

Yes. Securities Currently Being Held In Cds Can Be Transferred To Your JCSD CDS Account.

How will the DMA process work?

When A Local Broker Gets An Order From A Client To Purchase Foreign Securities, The Broker Will Enter The Order Using The DMA Platform. The DMA Platform Will Send The Order Via An Interface With The Foreign Broker's Trading Platform. Once The Order Matches On Any Foreign Stock Exchange, A Trade Confirmation Will Be Sent Back To The Broker Via The DMA Platform. The Broker Will Also Be Notified To Fund The JCSD's Settlement Account.

On T+2 The JCSD Will Settle All Trades Directly With Cds On Behalf Of Brokers.

The Inventory Position Will Be Downloaded From CDS And The JCSD Will Update The Beneficial Owner's DMA Account In Depend.
